

The image shows a dark-colored end table with a tambour sliding door and four tapered legs with brass-colored caps. It is positioned in a workshop or showroom setting with various tools and materials visible in the background.

Alborg End Table w/ Tambour Slide Door

BLACK

Features

- The Alborg end table is constructed with rubberwood, mdf, and zebrano veneer.
- The iconic smooth curved finishing is unique to the Alborg collection
- The tapered leg design not only gives an elegant touch to your product, but it also helps to add stability and sturdiness as well
- Zebrano wood veneers in a rich black finish
- Complete your living room decor with the Alborg console and coffee table. Each sold separately.
- Mid-century modern End Table with tambour sliding door
- Provides you with a space saving solution for all your storage needs without compromising design.
